# Important Notes

- ◆ This document outlines the charges applicable in respect of domestic and international trade transactions. The issuance of and details contained in this document does not constitute an offer or solicitation for, or advice that you should enter into, domestic or international trade transactions. It does not purport to list or summarise all of the terms and conditions of a particular transaction, nor to identify or define all or any of the risks that would be associated with any transaction. While all reasonable care has been taken in preparing this document, no responsibility or liability is accepted for any errors of fact, omission or for any opinion expressed herein
- ◆ Where a rate is not specified under the column titled “Charge”, the minimum charge will apply
- ◆ All commission rates quoted herein will be applied on a per month basis at minimum, inclusive of those stated as per annum (p.a.)
- ◆ All charges should be paid in advance unless otherwise expressly stated and agreed
- ◆ Where charges are collected in foreign currencies other than USD, the USD equivalent at prevailing exchange rates will apply
- ◆ All charges are subject to statutory taxes and levies presently in force and any changes/additions that may come into force at a future date
- ◆ We adhere to all publications issued by the International Chamber of Commerce (ICC) which are currently in force and any changes/additions that may come into force at a future date
- ◆ Additional fees will apply for non-standard service
- ◆ These tariffs are effective from 22 August 2022
