Welcome

HSBC Commercial Banking

HSBC Commercial Banking operates in 54 countries and territories, covering the developed and developing markets that matter most to our customers. Through our teams of relationship managers we connect businesses to opportunities, helping them to thrive and grow.

Global Liquidity and Cash Management gives businesses greater control over their cash and collections, and helps them to manage their liquidity efficiently. We strive our best to offer unique products, customized solutions and seamless processing of transactions. Our e-banking platforms enable customers to make seamless payments between countries and currencies. We work with a wide range of customers, from mid-market companies and large multinationals, providing them with the tools they need to function efficiently. We also believe that our customers are the center of everything we do, and we endeavor to keep our customers conversant with our offerings and guidelines.

Here is our latest pricing guide. This is to ensure you have a complete knowledge of our applicable tariff. Let us assure you that we have in place systems to deliver a quality assured and unmatched service which is consistent, reliable and conforms to international standards of quality.
