

## Instant@dvice & Trade Transaction Tracker

Instant@dvice is a complimentary service helping HSBC clients using documentary trade and Guarantees products to speed up their trade cycle, enhance cash flow and improve their management of supply chain. It helps to save time and money by providing updates at each stage of the transaction through email advices sent directly to a company's specified email address. Instant@dvice also gives you access to a complimentary tool available on mobile devices providing you with the transaction status of your documentary trade and Guarantees products via Trade Transaction Tracker. These terms and conditions govern your use of Instant@dvice and the Trade Transaction Tracker.

### **Greater visibility and control**

Receive copies of import and export Documentary Credits (DCs), guarantees and Trade Transactions advices directly to your company's specified email or mobile device, keeping you up-to-date on the status of your transactions.

### **Manage your costs more effectively**

Accelerate the release of documents and save on potential demurrage costs by receiving import payment instruction letters that you can immediately print, complete and return to us.

Minimize the expense and inconvenience of collecting and holding original DCs by using HSBC's safe custody service to securely store your DCs.

### **Improve your cash flow position**

Track the delivery of your export documents sent internationally by HSBC offices so that you can act more quickly to help reduce your days sales outstanding (DSOs) and accelerate your export proceeds.

### **Better supply chain management**

Strengthen existing suppliers' relationships and speed up the delivery of your commodities by receiving faster copies of payment confirmation advices to your suppliers from HSBC.

### **Leverage HSBC's international network**

If your buyers and suppliers are HSBC clients, they can also use Instant@dvice and the Trade Transaction Tracker for timely transaction updates, accelerating your trade cycle and helping you to strengthen your partnerships with your buyers and suppliers.

# How to get started with the Instant@dvice and the Trade Transaction Tracker?

## How does it work?

- You can nominate up to five email addresses within your company to receive a copy of your export or import DCs, subsequent amendment(s) and other trade related advices. Email address 1 is the primary email address and will receive copies of all bank advices and SWIFT messages. Other nominated email addresses will receive copies of all bank advices only.
- You can use Trade Transaction Tracker on a mobile device to access the service. In order to use the Trade Transaction Tracker you must complete this form and accept the terms and conditions.
- Once you download the Trade Transaction Tracker on your mobile device, you will be required to enter:
  1. Your trade account number (if you have multiple trade accounts you can choose one)
  2. The email address registered for Instant@dvice service (if you have multiple email addresses registered you can choose one)
  3. A recent transaction reference number processed by HSBC linked to the trade account you've chosen in step 1.
- As an export customer, you can save on courier, handling and storage costs with our free DC Safe Custody service where HSBC will store your original DCs securely.
